

Luxembourg / Singapore – 10th February 2021

Following ifsam's expansion into Asia, the Luxembourg headquartered B2B fund trading platform is proud to announce that it has recently been granted an Associate Membership of The Association of Independent Asset Managers (AIAM) in Singapore.

"Both AIAM and ifsam are excited to interconnect with the Asian market opportunities..." said Mr. Jean-Luc Lanners Managing Director at ifsam, Luxembourg.

We have chosen Singapore as a base for our expansion into Asia – as it offers the perfect location, jurisdiction and infrastructure to continue the development of business growth in the region. We have recently appointed Mr. Philip Joslin to oversee the business development in the Asia Pacific region. *"We believe that we have a great opportunity to work closely with the industry in Singapore as we have done in Europe" said Mr. Philip Joslin.* *"We look forward to presenting its Luxembourg based services as a B2B fund platform to the Asian market place," added Mr. Rodja S. Reisky – Head of Business Development & Sales.*

AIAM – The Association of Independent Asset Managers Singapore (AIAM) is a voluntary commitment by a team of professionals united by the same dedication to build a local community for fellow IAM practitioners. Established in 2011 by proactive IAMs, AIAM is recognized by the Monetary Authority of Singapore (MAS). As the professional body for IAMs, AIAM champions best industry practices to elevate overall standards of the IAM profession in Singapore. AIAM aims to empower members through education, training development and networking. These proactive initiatives promote the sharing of knowledge with industry practitioners and leading institutions around the world.

We are an independent and established B2B fund platform with a 360° service, regulated by the CSSF (Luxembourg's financial regulatory body) We offer institutional investors access to more than 125,000 investment funds worldwide.

With over 20 years of experience coupled with our integral approach, we aim to provide not only personal advice and support, but automated and greatly scalable services at the highest technological level.

This is what we understand as "The Art of Fund Business"

Benefit from our One-Stop-Shop solution: Order execution – global custody of funds – trailer fee management. As a CSSF regulated financial institution and stand-alone B2B fund trading platform, we provide you with a 360° service for all activities surrounding third-party funds.

Insurance companies, banks, pension funds and funds of funds located worldwide, trust and rely on our integral offering and individual solutions.

Our focus lies on quality, rather than overall custody volume. As a One-Stop-Shop platform we therefore strive for absolute service quality leadership. This is reflected along the entire value chain for all of your requirements.
